It is with profound sadness that we mourn the passing of Victor Willis, the founding voice of Village People.

Victor was far more than a frontman. As lead singer and co-writer of "Y.M.C.A.", "Macho Man", "In the Navy" and "Go West", he gave words and voice to songs that have lifted the world to its feet for nearly fifty years. Alongside our founder Henri Belolo and Jacques Morali, he helped create a joy that crosses every border and every generation; one that will never fade.

Our hearts go out to his family, his loved ones, and the millions around the world who will keep singing his songs forever.

Rest in peace, Victor. The music you gave us is eternal.

SP CELEBRATES BM JUNE

Belated happy birthday to our colleague, Board Member June S. Mondejar!

It was only fitting that during our 50th Regular Session, we also celebrated our 50-something Board Member who still works like he's in his 40s. After all, he introduced not just one, but three provincial ordinances during the session. Age, clearly, is just a number.

As Chairperson of the Committees on Public Order and Safety and Ways and Means, may you always keep order in your priorities, find the best ways and means to serve our people, and continue leading with wisdom, strength, and good health.

Kasi siyempre sabi ko, kailangan ingatan niya kung ano 'yung kaniya. [...] Siguro dahil alam kong pinaghihirapan niya lahat. Lahat naman tayo nagta-trabaho. Pinaghihirapan mo 'yung pera mo. Hindi porket pinagkakatiwala niya sa akin ay ia-assume ko na lang na okay 'to – 'yung verbally okay tayo. 'I AM NOT CALLING FOR A TOTAL BAN ON ONLINE GAMES'

Senator Risa Hontiveros clarified on Wednesday that she's not calling for a total ban on online games.

"Let me be clear, I am not calling for a total ban on online games. Wala akong sinasabi na ang naglalaro ng games ay gagawa ng karahasan in real life. Fake news po 'yun. Maraming kabataan ang naglalaro para magpahinga, makipagkaibigan, matuto, maglibang," she said.

ENGAGED... THEN ARRESTED

Two people were arrested Wednesday after they climbed up an antenna on the top of the Empire State Building in New York -- and possibly got engaged at the same time.

The pair, wearing black and with their faces covered, unfurled a banner atop the 1,454-foot (443-meter) landmark that read "When the power of love beats the love of power, the world knows peace." | 📷: angela_nikolau/Instagram

‘DAPAT ITAMA ANG MALI’

Nilinaw ng isa sa mga dumalo sa kilos-protesta ng Iglesia ni Cristo (INC) na hindi nila gustong manggulo, at layon lamang iprotesta ang umano’y panloloko ng kanilang ibinoto.

“Nagtiwala lang naman kami sa kanila... ‘Yung pagtitiwala namin, sinira nila.”

Nag-rally ang mga miyembro ng INC upang suportahan si Sen. Rodante Marcoleta na kakasuhan ng plunder ng Ombudsman.

DOC WILLIE ONG: “1–2 LINGGO ANG HINTAY SA BIOPSY RESULT!” Hanggang kailan maghihintay ang mga Pilipino?

Hindi lang sakit ang pinapasan ng pasyente—pati takot, gastos, at matinding paghihintay.

Ang sinabi ni Willie Ong ay tumama sa maraming Pilipino: umaabot umano ng 1 hanggang 2 linggo ang paghihintay para sa biopsy result. Para sa mga naghihintay kung benign ba ang bukol, may cancer, o may seryosong karamdaman, bawat araw ay puno ng pangamba at pag-aalala.

Hindi lang ang pasyente ang nahihirapan. Apektado rin ang buong pamilya—sa emosyon, sa gastusin, at sa kawalan ng kasiguruhan. Dahil sa mahal na laboratory tests, gamot, at pagpapagamot, marami ang napipilitang ipagpaliban ang pagpapasuri kahit may nararamdaman na.

Habang patuloy na nagbabayad ng buwis ang mga Pilipino, marami ang umaasang mas mapapabilis ang access sa dekalidad na serbisyong pangkalusugan, kabilang ang mas maagang diagnosis at mas mabilis na laboratory results. Sa usapin ng kalusugan, bawat araw ay mahalaga—at ang maagang aksyon ay maaaring makapagligtas ng buhay.

Ipinapabatid ng Quezon City Department of Public Order and Safety (DPOS) na hanggang ngayong araw na lamang ang permit na inilabas sa Iglesia ni Cristo para sa kanilang rally sa EDSA. Bahagi ng tungkulin ng lokal na pamahalaan ang pangalagaan ang interes ng publiko.At base sa nakalap na mga report, matinding abala na ang idinulot ng protesta sa pang-araw araw na pamumuhay ng ating mga kababayan. Libu-libo ang nahuli sa eskwela o trabaho, o sadyang hindi na nakapasok at naperwisyo ang negosyo. Nilabag din nila ang kasunduan na manatili lamang sa White Plains at hindi okupahin ang EDSA.
Iginagalang natin ang kalayaan sa pagtitipon at pagpahayag

O MOST CHASTE HEART OF ST. JOSEPH , guardian of the Virgin and protector of the Holy Family, I place my trust in you. Pure spouse of the Blessed Virgin Mary, guide me in the path of holiness and virtue. Defend me from the snares of the enemy, shield my heart from impurity and keep my mind and soul focused on God alone.

Through your intercession, may I serve the Lord with a humble and faithful heart and love Him with the purity and devotion with which you cared for Jesus and Mary. O Chaste Heart of St. Joseph, pray for us and lead us to the Sacred Heart of Jesus and the Immaculate Heart of Mary. AMEN

Deadly floods have devastated parts of Ghana after torrential rains inundated the capital, Accra, and surrounding areas, killing at least 12 people and forcing hundreds to flee.

The Ghana National Fire Service said more than 400 people have been rescued as emergency teams continue evacuation and relief operations.

The flooding has submerged roads, homes, and vehicles, cutting off access to parts of Accra and the neighbouring city of Tema.

President John Mahama has deployed the military and police to assist rescue efforts and released emergency funds for relief and flood mitigation.

He said Accra received around 140 millimetres of rain in a single day—the highest rainfall recorded in several years.

Meanwhile, neighbouring Ivory Coast and Nigeria are also battling deadly floods caused by heavy rainfall.

Today, we have information about another massive Russian strike – we have relevant intelligence data. And immediately after this conversation, I am returning to Ukraine.
Today, I ask our people in Ukraine to be especially careful – stay safe and protect your families and children – be sure to take shelter and pay attention to air-raid alerts in Ukraine. We know that Putin has been preparing a massive strike against Ukraine for some time. That is exactly the threat we are facing tonight.
Russia's head is completely refusing to end the war. And although through all possible official and unofficial channels – including through people close to him – we have conveyed that the war can and must be ended, and that we in Ukraine are ready for meetings and meaningful negotiations, he sees only further aggression against Ukraine and against other neighbors and Europe as a whole.
I said this during a joint press conference with the Taoiseach of Ireland, Micheál Martin.

Dasal ng Bayan
BULGAR
BOSES ng PINOY. MATA ng BAYAN
Lord, make me an instrument of your peace; where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; and where there is sadness, joy.
O Divine Master, grant that I may not so much seek to be consoled as to console; to be understood, as to understand; to be loved, as to love; for it is in giving that we receive, it is in pardoning that we are pardoned, and it is in dying that we are born to Eternal Life.
Amen.

SENATOR-JUDGES

All members of the Senate serve as jurors during the impeachment trial. They hear the arguments of both the prosecution and the defense, impartially assess the evidence presented, and ultimately vote on whether to acquit or convict the impeached official.

Senators shall observe political neutrality during the course of the impeachment trial. "Political neutrality shall be defined as exercise of public official's duty without unfair discrimination and regardless of party affiliation or preference."

An official who has been impeached is considered "convicted" (or acquitted) if at least two-thirds (2/3) of all Senate Members find her guilty (or not guilty) regarding the charges.

If convicted, the individual is removed from public office, and the Senate may also choose to impose an additional penalty of permanent disqualification from holding any future public office.

'IBA RIN ANG SPECIAL TREATMENT'

Labor leader Ka Leody de Guzman took a swipe at the Local Government of Manila after the Manila Department of Social Welfare offered hot meals and on-ground assistance at Liwasang Bonifacio, where members of the Iglesia ni Cristo (INC) are holding a rally on Thursday.

“Sa limang dekada kong pakikibaka, di ko pa naranasan na may magpalugaw na mayor. Iba rin ang special treatment,” he said, noting the unusual level of support extended at the site.

The Manila local government earlier deployed food assistance, sanitation teams, and emergency response units through its social welfare, environment, and disaster risk reduction offices to ensure order and address the needs of those attending the gathering. (Facebook/Ka Leody De Guzman)

Sa halip na simpatya, sunod-sunod na batikos ang inabot ni Senador Imee Marcos mula sa mga netizens matapos niyang tawaging “gobyernong tulog” at “lasing sa kapangyarihan” ang administrasyon sa isang rally sa EDSA. Marami ang nagsabing tila “selective” umano ang kanyang pagpuna, lalo na't wala raw silang narinig na kaparehong reaksiyon mula sa senadora sa madalas na pagbiyahe sa ibang bansa ng ilan sa kanyang mga kaalyado kabilang na si VP Sara at mga kapatid nito.

Ayon sa ilang netizens, opisyal na biyahe ang pagpunta ng pangulo sa Canada, kaya hindi nila maikumpara ito sa mga personal o pribadong lakad ng ibang opisyal. Samantala, sinabi rin ni Palace Press Officer Claire Castro na gumagamit umano si Imee ng maling impormasyon upang maghasik ng galit laban sa administrasyon. Dahil dito, para sa maraming nagkomento online, bigong makakuha ng simpatya ang senadora at sa halip ay lalo pang umani ng kritisismo.

ROSARYO, SINUNOG NG SDA DEBATER!

Nagdulot ng matinding reaksiyon sa social media ang isang video na nagpapakita sa isang lalaki na umano'y nagsunog ng isang rosaryo at ibinahagi ito bilang content sa Facebook noong gabi ng Enero 23, 2026.

Ayon sa mga kumakalat na ulat sa social media, ang naturang lalaki ay kinilalang si Antonio Orias Sotto.

Siya ay kabilang sa Seventh-day Adventist Church Founded by Ellen White.

Mariing kinondena ng maraming Katoliko ang insidente, na kanilang inilarawan bilang isang paglapastangan at kawalan ng paggalang sa kanilang pananampalataya.

Dahil dito, umapela ang ilang grupo sa publiko na pairalin ang paggalang sa paniniwala ng bawat isa at iwasan ang mga gawaing maaaring magdulot ng hidwaan sa pagitan ng iba't ibang relihiyon.

She added that, prior to the incident, chat messages claiming some students would be harmed had already been circulating.

This prompted the school to coordinate with barangay officials, Parent-Teacher Association officers, and the QCPD Station 13 to increase visibility and strengthen bag inspections. | via Bianca Dava, ABS-CBN News

TAHIMIK LANG NA BASAHIN: Panginoon, minsan sobra na ang bigat pero Ikaw pa rin ang pinanghahawakan ko. Alam kong hindi Mo ako iniiwan kahit wala akong masabi. Salamat dahil kahit pagod at tahimik ako, ramdam Mo ang puso ko. Kung naniniwala kang kasama mo ang Diyos sa lahat ng oras, ibahagi mo ito sa isang taong mahalaga sa'yo. Tingnan mo kung paano Siya kikilos sa buhay mo ngayon.PAHINGI LANG NG Amen. ✝️

Members of Iglesia ni Cristo (INC) receive free meals from Manila city government's Department of Social Welfare as they continue their protest at the Liwasang Bonifacio on Thursday.

The religious group's third day of the rally was moved to Liwasang Bonifacio after the Quezon City government revoked its permit due to the massive inconvenience it caused to the public during the first two days of their protest action along EDSA.

Aside from pushing for transparency and accountability in government, INC also rallies for Senator Rodante Marcoleta, who is facing possible arrest for plunder. (Photos/Manila Department of Social Welfare)

Nasa 950 ang nasa Liwasang Bonifacio sa Maynila para sa protesta ng Iglesia Ni Cristo (INC), as of 9 a.m. Huwebes, July 2, ayon sa Manila City DRRM Department.

Inilipat doon ang aktibidad matapos bawiin ng Quezon City government ang permit para sa pagdaraos ng pagkilos ng grupo sa People Power Monument sa EDSA.

The NBA landscape has completely changed. Every move is creating a new storyline, and next season is shaping up to be absolute cinema. 🔥

Jaylen Brown to the 76ers, Kawhi Leonard back to Toronto, Giannis Antetokounmpo to Miami, Ja Morant to Portland, and LaMelo Ball to Minnesota. Teams are loading up, contenders are taking shape, and the race for the title is wide open. 🏀

Ibinahagi ni PSSG. Arla Ray Paciencia sa pagdinig ng komite ni Senadora Risa Hontiveros kung paano nakuha ng kanyang pamangkin na si Alyas Nash ang kanyang baril.

Ayon kay Paciencia, nakuha ni Alyas Nash ang kanyang baril sa pamamagitan ng pagpasok nito sa kanyang bahay ng walang paalam.

Pagkatapos nito ay sinira rin daw ng kanyang pamangkin ang plastic na gunbox na kanyang inilagay sa kanyang plastik na aparador.

Pagtitiyak naman nito kay Hontiveros, standard ang gamit niyang gunbox bagamat gawa ito sa plastik.

Sa kabilang banda, nabanggit din nito na isang beses lang naman niyang nadala sa firing range ang kanyang pamangkin noon dahil gusto niya umano sana itong maging pulis.

POSSIBLE OUTCOMES OF AN IMPEACHMENT TRIAL
CONVICTION
If the impeachment court finds the official guilty under any of the Articles of Impeachment, he/she shall be removed from office.
The Senate may also impose the additional penalty of permanent disqualification from holding any and all further public office.
The removed official may still face separate criminal and/or civil cases in the proper courts. Such prosecution does not constitute double jeopardy.

POLITICS IS NOT A PERSONALITY CONTEST
Leadership is measured by competence, character, and public service.
Vico Sotto
"Huwag tayo maghanap ng savior."
"If we want better governance, we should stop treating our government officials like showbiz personalities."
"We should stop being too personality-based in politics and in our governance."
Leni Robredo
"Alisin yung mentality na may isang savior… Wala namang monopoly ng kakayahan."
"I am not the only one who has the capacity to lead."
Miriam Defensor Santiago
"Leadership is not about personality.… Leadership is about behavior— ano ang nagawa mo?"
"Sila lang ba ang magaling? Sila lang ba ang may kaya? Come to think of it as an intelligent college graduate. Is that democratic? That you passed on as if you're monarchical, your position to another person just because of blood ties?"

EDSA I was never orchestrated, never pre-arranged. It erupted as a sudden, unstoppable wave. The Church raised its voice, and the people surged into the streets! They stood in front of tanks, defended human dignity, resisted oppression, demanded justice, tore down the dictatorship, and fought fiercely for the nation not for selfish interests, and never for the benefit of a privileged few. The Church was present from the very start, standing side by side with the people.

'BE DIFFICULT'

Broadcast journalist and University of the Philippines alumnus Atom Araullo urged the graduating class of UP Baguio to "become difficult," encouraging them to uphold their core values as they embark on a new chapter of their lives.

“I hope you become difficult—difficult to fool, difficult to buy, difficult to discourage, and difficult to turn indifferent,” he said during the UP Baguio Pagtatapos 2026 on Tuesday.

He also highlighted themes of integrity, critical thinking, and social responsibility, citing journalistic values and the legacy of Macli-ing Dulag in his speech.

"But as you go, carry something stubborn within you. The country does not need more 'successful' people who are pleasant, polished, and harmless. It needs people who are difficult to fool, difficult to buy, difficult to discourage, difficult to turn indifferent. Not everyone is called to give everything. But everyone is called to protect something," he added.

So ngayong araw, susumahin ko na lang sa isang linya ang hiling ko para sa inyo: I hope you become difficult.
But I don’t mean difficult in the sense of being impossible to work with. Not difficult in the sense na hassle ka bonding. Not rude. Not performative. Not contrarian for clout. I mean the right kind of difficult.
Be difficult to fool. Difficult to buy. Difficult to discourage. And difficult to turn indifferent.

Watch: What is art for? ►
https://www.youtube.com/watch?v=ZVlQO...
The mystery of a small and very valuable picture by the Spanish artist Joaquín Sorolla that vanished over the weekend has been solved after a man told police he had mistaken the painting for junk when he found it on a Seville street but rescued it because he liked the frame.

Rather than being entranced by the painting's subject matter – two boats off a beach – Andrés Hurtado was instead captivated by its handsome gold frame.

4h ·

As Catholics, we do not claim that every priest or bishop is holy or beyond reproach. The Church herself acknowledges that her members, even her leaders, are sinners in need of conversion. That is precisely why the Catholic Church has developed stronger measures for accountability, safeguarding, financial transparency in many dioceses, and canonical processes to investigate and discipline clergy who abuse their office. Reform is not foreign to the Church, it has been part of her history for 2,000 years.

My faith is not in the personality of a priest or bishop. It is in Jesus Christ, who founded His Church despite knowing that even one of His own Apostles would betray Him.

If you choose to help the poor directly, that is a beautiful act of charity. But supporting your parish is also supporting the celebration of the Sacraments, evangelization, catechesis, disaster response, schools, hospitals, and countless ministries that quietly serve millions every day.

As for the comparison with the INC, the question shouldn't simply be, 'Who has imperfect leaders?' Every institution has them. The better question is, Which community openly acknowledges its failures, allows accountability, and continually seeks reform?

The Catholic Church has repeatedly admitted her failures, apologized for grave sins committed by her members, and continues to implement reforms. That doesn't erase the wrongs, but it shows that accountability is part of her mission, not something she hides from.

If accountability is the standard, then every religious organization should be willing to welcome transparency, admit mistakes, and allow criticism, not only point out the failures of others"

'ANG TAWAG DO'N, LOKOHAN!'

Senator Robin Padilla speaks before members of the Iglesia ni Cristo (INC) as the religious group concludes its peace rally on Thursday at Liwasang Bonifacio.

"Iniisa-isa na kami sa minority. Kanina, paggising ko, pagtingin sa social media, ang sabi ay kakasuhan na raw ako. Pinatakas ko raw si Bato. Obstruction of justice daw ang ikakaso sa akin. Nakita n'yo ba 'yung CCTV? Hindi kami tumakas, naglalakad kami. Ang tawag do'n, lokohan!" he said. (Screenshots/INCRadio DZEM954)

Fuel supplies are tightening across Russia after Kyiv staged a massive drone attack on June 18 that damaged a major oil refinery in Moscow. The attacks have been a serious cause of concern for Russia, who have been consistently targeting Ukraine's energy infrastructure since 2022. Russian President Vladimir Putin initially denied any such issues, but he recently admitted that the widespread fuel shortage is real. Truck drivers in several regions are facing long queues, rising prices and limited fuel supplies, with some stations charging among the highest gasoline rates in Europe. Farmers' tensions have also begun to rise, as they crowdsource maps and try to figure out which fuel stations might have the shortest re-fill lines.
